Sir,

Subject Purchase of a Rota Print Machine for printing various forms and registers etc.,

---

There is at present an old Gestetner Stencil machine in use in the Municipal Office for taking out copies of official references like agenda, Proceedings of the Council and Committee meetings, circulars etc , The machine was purchased more than 10 years back and owing to constant and heavy use it has been subjected to very frequently the machine is going out of order. In the circumstances the question of purchasing a Rota print machine which is in use in the Bangalore City Corporation for some time past was examined.

The Municipal Commissioner Bangalore who was contacted in this behalf intimated that much economy has been effected by using the Rotaprint for printing various forms and Registers, Several forms such as bills, chellans which were printed by the Corporation using the Rotaprint machine were also obtained and examined A specimen Bill form is enclosed for favour of perusal

The Municipality has been spending on the average annualy a sum of Rs. 6000/- on the over printing of theforms and registers etc , By thepurchase of this machine, instead of a new Gestetner duplicator, we could not only effect economy by printing forms and registers, but also use the machine for making better and neater copies of agenda and routine communications

The Council have therefore approved of the proposal to

P T O.

to purchase the machine at a copst of Rs. 8224-10-0 with accessories, sales tax and other incidental charges being extra as per quotation. I enclose a copy of the resolution passed at their meeting held on 7-8-54 to this effect and request you kindly to obtain orders of Government sanctioning the purchase.

Yours faithfully,

(N.Lakshman Rau).
